

Looking for free birth control?

People of all ages and all genders can get immediate coverage for birth control, STI testing and treatment, and other services with no out-of-pocket cost!

You can apply as an individual if...

- You're a resident of Illinois.
- You make \$3250 or less a month before taxes.
- **And** you don't already have state or federally-funded insurance (such as Medicaid).

Here's what you can get for free...

- All FDA-approved birth control methods, including emergency contraception, IUD, implant, pills, condoms, patch, ring, Depo-provera, tubal ligation and vasectomy.
- STI testing/treatment and HIV testing/prevention with PReP and PEP.
- Screening for breast, cervical, and testicular cancer.
- Treatment for genital/urinary infections.
- Vaccines related to sexual health.

You should also know that...

- You have the right to get immediate, temporary coverage (for 31-60 days) with no questions about citizenship. This is called Family Planning Presumptive Eligibility (FPPE) and you can apply two times per calendar year.
- You can apply if you have private insurance that doesn't cover birth control or if you don't want to use your insurance because of privacy concerns.
